

Coyote Connections 2025

MARCH

And just like that we are ready to welcome March! February was a little unpredictable as we left for February break with some extreme cold days and now are welcomed back from break with beautiful sunny days!!

As we settle into semester two, our focus remains on academic excellence. Using the knowledge we gain during our early dismissal days, the teachers are diligently assessing student progress and implementing strategies to support each student's needs. We encourage parents to maintain open communication with teachers to stay informed of your child's progress.

I would like to give a couple shout outs! I want to thank the SCC for organizing our 'Muffins for Mom, Donuts for Dad' for Family Literacy Day. Thanks to all the parents who took time from your day to spend with us celebrating literacy. Also, thanks to Mrs Goettler's grade 8/9 class for organizing Jump Rope for Heart. In the words of one grade 2 student, "It was the best day ever!!". Finally thanks to our high school kids who helped tie skates for the elementary students at our annual coyote bonspiel. It was greatly appreciated!

Thank you for your continued support and dedication to our school family. As principal, I take great pride in the sense of community we have built within our school and the warm, welcoming environment we have created. Together we can make our school a place where every student can thrive.
