

# February 2025

January is always a time for reflection and goal-setting. As we continue into the second half of the school year, it's an opportunity for all of us—students, teachers, and families—to evaluate our progress and set new academic and personal goals. Whether your child is working on developing new study habits or aiming to improve in a particular subject, now is the perfect time to encourage them to stay focused, embrace challenges, and continue striving for excellence.

I want to thank each of you for your continued support and involvement in our school community. Together, we are creating an environment where students can thrive academically and socially. Let's continue to foster a love of learning, celebrate each other's successes, and encourage growth in every aspect of life. We are excited to continue building upon the strong foundation we've created together and make 2025 a year full of success and joy for all of our students.

We want to wish Mrs. Menke all the best upon the arrival of her precious baby boy. The staff and students are all going to miss having you around.

Next month, February 10-14th is Staff Appreciation week. We are excited to be able to celebrate our amazing staff and all the great things they do to make our school a wonderful place to learn and grow.

Mrs. Fischer

Principal

# Jump Rope for Heart

## February 12th

### NOTE:

Students **must not** arrive at the school before 8:30 a.m. as there is no supervision available.

There may not be snow on the ground but the temperature can get very cold. Please be sure appropriate clothing is worn. **Toque, winter jacket, ski pants, boots and mittens all need to be worn.**

the milk forms  
(unless you pre-paid)

The Saskatchewan Student Assessment (SSA) program is a new provincial initiative designed to provide consistent, fair and objective measures of student achievement. This program is part of Saskatchewan's 2020-2030 Provincial Education Plan and will benefit students by offering valuable insights to support their learning and future success.

Implemented in stages beginning in the 2025-26 school year, the assessments will be developed with Saskatchewan teachers and based on the Saskatchewan curriculum students are already learning in class. The SSA program will not require additional learning or replace classroom assessment. Please review the [SSA Family Fact Sheet](#) for additional details.

## Early Dismissal Days

To help families plan ahead and make arrangements, here are the remainder of our early dismissal days

### HODGEVILLE SCHOOL
